

Club night, 11 July

Graham Bailey

'Well' ...didn't we do well!, with 21 full, 5 associate and 7.... social members all in attendance, and providing great support to the club.(p.s if any of you out there have a partner that wishes to swell the social membership ranks, then please feel free to enroll them...the club needs you!!)

With the focus on the skittles, it was great to see everyone including Dave Brazener and his fellow RoADar members enjoying the evening. It was also good fortune to see a number of them actually win some of the usual highly desirable,! and expensive raffle prizes!!

The merriment continued taking place on the alley, which I rather gather was largely down to the 'dodgy' scoring from RoADar's very own Chris Lee giving the eventual win to RoADar, still, little did they know that our team was under strict orders to 'throw the match' for the sake of good hospitality!!.

Seriously, with Sharon the stewardess providing the usual quality buffet, it looked like everything was working nicely as everyone played their part in making RoADar feel welcome, and with that I thank you all...well done, the success of the

night was all down to you lot, good result.

Terry Freeman. 'Well done' Terry, a very confident test pass and well deserved.

Bob Williams. Same again Bob, well done, you now have your wings, so go fourth and hone those skills boy.

Ian Harrison. And yet same again, well done Ian, your test pass was well worth waiting for wasn't it.

Geoff Pollard. Congratulations Geoff on your recent arrival, a CBF1000 of course!! What else did you think you suspicious lot!

Dave Preest. Old 'Scout' has gone and bought a TDM900, not his usual iron I might add, but never the less a very fine ride indeed, I've ridden it. (Can I say that Ed!) **[No – Ed]**

Pat Lush. He's gone and purchased a nice Blue (sorry Geoff!) CBF1000, and it's very tasty indeed.

Graham Bailey. 9000 miles later, 1 set of fresh tyres on the same bike!! Must be a record!, although with that lot changing, I'm starting to get an itch!! (Stop it Brian!)

Godfrey Mills. Sorry Godfrey, I just can't keep it a secret any longer, he is, and has been for some time really,

been the proud owner of a very first class RC30...indeed the mutts nuts.

Terry Henshaw. As if there is no end to this epidemic, Terry has finally acquired a very fine looking 1200RT, indeed the gentleman's express.

John/Dee Lane. Thank you for joining, I extend the clubs welcome to you both, and hope that you get as much from the club as I have over the years.

Andrew Tinsley. Ditto Andy, nice to see you and your son Tom on one of the recent ride outs by the way..well done.

Paul Jude. Comes to us on a ZXR900, welcome Paul, hope to see more of you.

Mike 'Shunter' Newman. Nice to see you once again 'Shunter', oh and congratulations by the way, in securing the hand of Paula, now a Mrs. Newman, here's to many years of biking happiness together (and with SAM of course!)

Andy Downs. Congratulations on releasing the cap from that can of Autoglym bike cleaner, now al you have to do is apply it....!
