

21st Feb 2010, Rideout to the Welsh Marches.

Lloyd led his first rideout and ventured into the Welsh Marches. 8 bikes braved the cold, pulled on double layers of thermals and headed out to Skenfrith for the first stop to thaw out in front of a log fire. Then on to The Honey Pot Shop & Cafe at Bronllys near Talgarth. Great route, click [here](#) for map. Thanks Lloyd. In the photo above, there is always one messing around, we won't mention any names, Geoff. [Photos](#) taken by Lawrence.
