Dear SAM Members

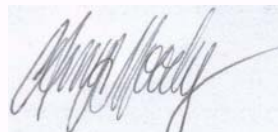

Thank you for your generous donation of £550 from your annual auction. We are very grateful to you for this kind donation which will be used to support local life limited children and their families.

The new children's hospice opened in March 2005 and has already made such a difference to the lives of so many families from Herefordshire, Worcestershire and Gloucestershire. Having supported children and families in this area for nearly 16 years, we are now able to enhance and extend the care and support we provide further throughout the Three Counties.

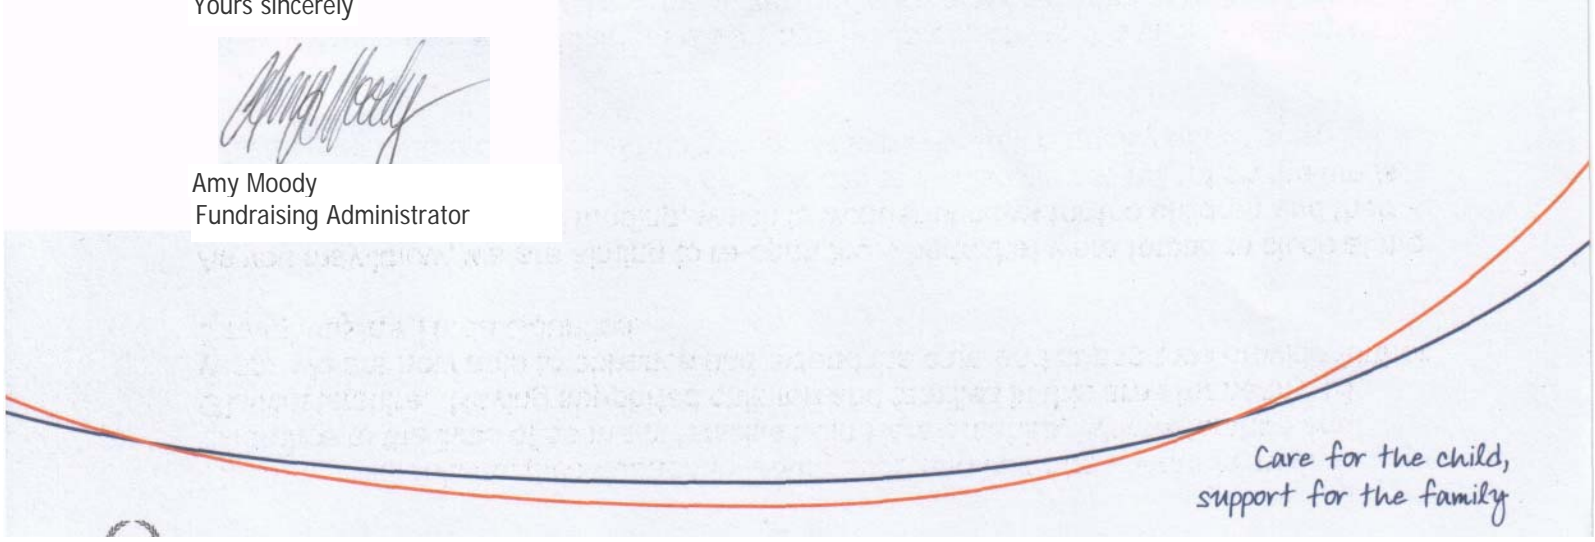

As you may know, we are aiming to re-open the 4 beds that were forced to close at the end of 2005 due to lack of funding, which is wonderful news for the children and their families. However, each bed cost £450 per day to run, so we are reliant on the funds raised by members of the community in order to maintain the quality of our care provision.

So as you can see, your donation is very much appreciated and is vital in helping us to continue supporting the life limited children and young people, who with their families rely on us to support them to face the immense challenges in their lives.

Yours sincerely
